Fuzzy Portfolio Optimization With Application Of Forecasting Methods

What Is Fuzzy Logic? - MATLAB & Simulink

In Fuzzy Logic Toolbox™ software, fuzzy logic should be interpreted as FL, that is, fuzzy logic in its wide sense. The basic ideas underlying FL are explained in Foundations of Fuzzy Logic . What might be added is that the basic concept underlying FL is that of a linguistic variable, that is, a variable whose values are words rather than numbers.

Artificial Intelligence in Civil Engineering

Artificial intelligence is a branch of computer science, involved in the research, design, and application of intelligent computer. Traditional methods for modeling and optimizing complex structure systems require huge amounts of computing resources, and artificial-intelligence-based solutions can often provide valuable alternatives for efficiently solving problems in the civil engineering.

Advanced Neural Network Software for Financial Forecasting

Genetic Optimization Faster optimization of predictions, trading rules and indicators Fuzzy Pattern Recognizer Ehlers’ book develops and demonstrates effective new trading tools through the application of modern DSP techniques. “These tools have proven in real-time use to consistently provide traders with razor-sharp buy and sells in

Department of Electrical Engineering :: IIT Delhi

Credits: 1 To educate students about semiconductor business. This includes business domains in semiconductors, latest business challenges, market trends and forecasts, business planning and incubation, execution and delivery, technical and financial analysis of R&D, business and finance models of chip manufacturing units (or fabs.), foundries, and solar power plants.

International Journal of Quality & Reliability Management

On the optimization of maintenance storage cost in industry a fuzzy logic application Jean Khalil, Ashraf W. Labib. The purpose of this paper is to construct a fuzzy logic model that acts as a decision support system to minimize inventory-related costs in the field of industrial...

Journal of Management Analytics: Vol 8, No 3

Aug 24, 2021 · Crowd evacuation simulation model with soft computing optimization techniques: a systematic literature review 0 Almetric; Articles. Article. A decision support model for supplier portfolio selection in the retail industry. Relationship mapping of consumer buying behavior antecedents of secondhand clothing with fuzzy DEMATEL. Maria
